

English

In English this half term, we will be using Stone Age Boy to write a survival guide informing the boy how to survive in the Stone Age. We will also be rewriting the end of the story.

Science

Our science topic is rocks and fossils. We will be learning about the different types of rocks and how fossils are formed.

Maths

We will be using our times tables facts to learn multiplication and division strategies. We are starting our fractions units where the children will be learning what fractions are and how to find halves and quarters of a number. We will also be revisiting place value and learning about shape properties.

RE

In RE, we will be learning about 'Angels'. We will be describing how angels are used in the stories of the birth of Jesus.

Autumn 2 2025
Year 3
The Stone Age

Computing

In Computing we will be learning how to decompose and problem solve by programming a magic carpet to fly and be steered around obstacles.

History

In History, we will be learning about the Stone Age. We will be comparing this era to the Iron age and asking the question, 'Who had the easiest life?'

PE

In PE this half term, we will be learning to play dodgeball and improving our co-ordination, balance and agility through circuit training.

Art

In Art this half term we will be exploring charcoal and will design and create our own cave drawings.

PSHE

In PSHE, we will be exploring how to look after ourselves physically, mentally, emotionally and socially. Our Scarf topic for this half term is 'Me and my relationships'.
