

## English

In English this half term, we will be studying the book Skellig by David Almond. From this we will be writing a narrative based on the events in the book and a non-chronological report on wolves.

## Science

In science we will be learning about evolution and inheritance. We will learn about how animals have evolved over time and how they adapt to their environment.

## Maths

In Maths, we will be continuing with arithmetic and reasoning each day. We will be developing our strategies around solving multi-step problems.

## PE

In PE we will be learning dance and gymnastics. We will be revising our gymnastics skills and creating a variety of routines.

## **Year 6 Spring 1 2025 - 2026**

## PSHE

In PSHE we will be learning about media bias, including social media. We will also be learning about caring for our community and environment.

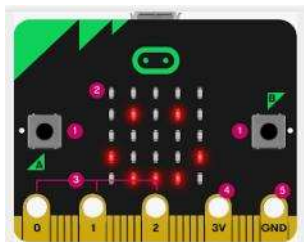

## Art

In Art, we will be learning about graffiti and studying the artist Banksy. We will learn what graffiti is and create our own work inspired by Banksy.

## Computing

In computing we will be learning about programming and how to use a microbit. We will programme the microbits to perform a variety of functions including collecting data from a survey.

## R.E

In R.E we will be learning about the Quran in Islam .

## Geography

In Geography we will be learning about Volcanoes. We will find out about volcanic activity in Indonesia. We will learn about the causes of volcanic eruptions and the damage that they can cause.
