

### English

In English, we will be using the text The Royal Rabbits of London to write a character description. We will then write a persuasive letter to the Royal Rabbits Society.

### Science

Our science topic is plants. We will learn about the parts of plants and grow our own seeds investigating what helps plants grow best.

### Maths

We'll be starting the term by exploring volume and capacity, comparing and ordering amounts of liquids. Then, we will be revisiting the four operations. We will also be spending some time learning about area and perimeter of 2-D shapes.

### RE

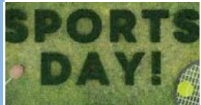

We will be learning about the festival of Vesak which as a Buddhist celebration. This will be taught through creative activities to develop our understanding of this faith.

## Summer 1 2026 Year 3 Royalty

### History

We will be learning about three different eras of history of life in England under the rule of Queen Elizabeth 1<sup>st</sup>, Queen Victoria and Queen Elizabeth 2<sup>nd</sup>. We will be answering the question: 'Who would you like to have as your Queen?'

### PE

In PE, we will be practising events ready for Sports Day.

### Computing

In Computing, we will be taking pictures on digital cameras to create a short story.

### Spanish

This half term we will be learning Spanish names for animals and how to introduce them.

### DT

We are going to design, and bake, a Victoria sponge cake for a special occasion.
