

# Year 3 Literacy

## Remote learning

This week we will be writing our own set of instructions on 'How to Wash a Woolly Mammoth' based on the book. These 5 sessions will review the skills you have learnt so far which will allow you to write the instructions.

Please complete all of your learning in your homework book and bring them in to show your teacher when you return to school so they can give you feedback.

Lesson 1

LO: To plan a set of instructions.

Time to start planning your instructions. Remember plans can be completed in bullet points.

Read 'How to Wash a Woolly Mammoth' and choose 8 steps that you think are most important. There is no right or wrong - it's up to you!

Write the 8 things you choose in the boxes for each step.

Now think about the equipment that is needed to complete your steps. Write this in the 'You will need' box.

Finally, add some extra detail into your plan. You could add adjectives and adverb.

For example:

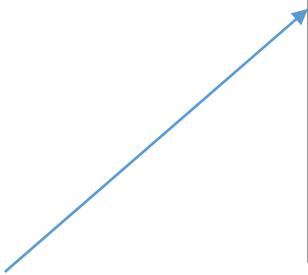

<u>Step 1</u> <ul style="list-style-type: none"><li>• Fill bath</li><li>• Huge</li><li>• Wide</li><li>• carefully</li></ul>
<u>Step 2</u>

<u>You will need:</u>
<u>Step 1</u>
<u>Step 2</u>
<u>Step 3</u>
<u>Step 4</u>
<u>Step 5</u>
<u>Step 6</u>
<u>Step 7</u>
<u>Step 8</u>

Lesson 3

LO: To perform and publish your writing.

Today we would like you publish your instructions that you wrote yesterday.

Once you have written or typed your instructions in neat you might then like to decorate your writing. For this, you could draw some detailed diagrams to make your instructions easier to follow.

Once you have done this we would love to see and hear you perform your instructions. Perhaps someone could film you performing your instructions.
